Washington, DC 20554

In the Matter of 2002 Biennial Regulatory Review -
Review of the Commission's Broadcast Ownership Rules
and Other Rules Adopted Pursuant to Section 202
of the Telecommunications Act of 1996,
Notice of Proposed Rulemaking,
MM Docket No. 02-277, (rel. Sept. 23, 2002)

To: The Secretary, FCC Commissioners, and Chief, Media Bureau

I am writing to you today to reply to the public comments on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. To promote competition, diversity and local content, the FCC should retain the current media ownership rules and impose stricter public interest requirements.

The studies commissioned by the FCC are incomplete and misleading. Whether to allowing the consolidation of print and media is a key decision that will affect all of our society. It will allow censorship and will reduce the number of voices being heard. By increasing the restriction on the breadth of news and information available to citizens it will impair their ability to act in the public interest.

The greater good will best be served by preserving media ownership rules in question in this proceeding.

In addition, I strongly encourage the Commission to hold hearings in all parts of the country and solicit the widest possible participation from the public which will be the most directly affected by the outcomes of these decisions.

Thank you,
Richard Hayes
